TWIN CITIES MAIMONIDES SOCIETY

The Twin Cities Maimonides Society brings the Jewish health care community together to advance the philanthropic mission of the Minneapolis Jewish Federation and the Jewish Federation of Greater St. Paul, in order to ensure the security and vitality of the Jewish people.

Through the Maimonides Society, Jewish health care workers and medical students:

Network—Join your peers for events ranging from academic exchanges to our community-wide flagship event, the Maimonides Society Annual Conference.

Volunteer—Provide a better future for people who will benefit from your expertise and experience.

Support the people who need us most—Ensure the well-being of Jews of all ages, in Minneapolis, Israel, and around the world, through your gift to the annual Community Campaign.

Inspire others to act—Join the Honor Roll or Leadership Circle. You will receive recognition throughout the year and your public commitment will inspire your colleagues to join you in nurturing our community.
