HEART TO HEART

DAY 1 At the opening dinner at one of Tel Aviv's hottest venues, meet some of the IDF's bravest female soldiers. Renowned pop singer Dganit Daddo will have you dancing the night away.

DAY 2 Complete a fulfilling mitzvah project. Participate in a cooking workshop featuring Middle Eastern foods and then shop for crafts made by women through Federation partner programs. Immerse yourself in Tel Aviv's art & culture, and enjoy dinner at the homes of Israeli Lions of Judah.

DAY 3 Head north to Federation partner sites in the Galilee that empower women and youth. Then, as you enter Jerusalem, chant a joyous Shehecheyanu prayer with mission scholar Rabbi Shira Stutman. Create your own night on the town or relax at

the hotel spa, then satisfy your sweet tooth on an after-hours bakery tour or explore the Western Wall tunnels.

DAY 4 Take your pick: Explore the role of women in today's Haredi communities, participate in a special Yad Vashem visit, tour Jerusalem by bike, or sample unique local foods and wine. Discover new sites in the Old City and enjoy a fun night of Israeli music and dancing.

DAY 5 Together with young Ethiopian-Israeli women, celebrate a once-in-a-lifetime bat mitzvah ceremony. Honor the coming spring with a Tu BiShvat lunch, then plant trees in Neot Kedumim, the Biblical Landscape Reserve. Come together for a farewell event and then head to the airport.
