

TWIN CITIES CARDOZO SOCIETY

The Twin Cities Cardozo Society brings the Jewish legal community together to advance the philanthropic mission of the Minneapolis Jewish Federation and the Jewish Federation of Greater St. Paul, in order to ensure the security and vitality of the Jewish people.

Through the Cardozo Society, Jewish attorneys, judges, and law students:

Network—Join your peers for programs ranging from thought-provoking lunchtime discussions with world-class guest speakers to our community-wide flagship event, The Twin Cities Cardozo Society Annual Dinner.

Volunteer—Provide a better future for people who will benefit from your expertise and experience at our pro bono legal clinic or through our mentorship program.

Support the people who need us most—Ensure the well-being of Jews of all ages, in Minneapolis, Israel, and around the world, through your gift to the annual Community Campaign.

Inspire others to act—Join the Honor Roll or Leadership Circle. You will receive recognition throughout the year and your public commitment will inspire your colleagues to join you in nurturing our community.
