

# WOMEN'S PHILANTHROPY

---

Inspired and guided by our traditions of *tzedakah* (justice), and *kol yisrael arevim zeh lazeh* (all Jews are responsible for each other), Women's Philanthropy is about more than just the Community Campaign. It's about knowing and understanding deeply the breadth of issues facing our community and rolling up our sleeves to help. It's about educating, inspiring, and empowering women of all ages in our community. It's about nurturing leadership and fostering a commitment to philanthropy.

**It's about having an impact.**

## RECOGNITION LEVELS

---

### THE PEARL SOCIETY

**\$365+**

Women who make a minimum gift of \$365 to the Community Campaign are automatically part of the Pearl Society. All donors who give \$365 or more will be invited to join us for the Women of Intention Awards, hosted by the Pearl Society and honoring one national and several local "Women of Intention."

### LION OF JUDAH LEVELS

**\$5,000+**

Lions of Judah are members of the most dynamic group of Jewish women philanthropists in the world. Join the nearly 18,000 global activists who care deeply about the Jewish future. Additional Lion levels are available; contact us for more information.

### LION OF JUDAH STEP UP PROGRAM

Designed to make the leap to a \$5,000 gift more accessible, the step up program allows prospective Lions to reach the minimum gift in "stepped up" increments over three years, starting at \$2,500. If you have a donor take this option, please let us know and we'll fill out the special three year pledge card.

The best part? The donor doesn't need to wait for all those "roaring" lion perks—she immediately qualifies for all Lion-level events, including the International Lion of Judah Conference, the Lion of Judah Luncheon, and she can proudly wear her Lion pin from day-one!
