This February we come together for a month-long virtual experience to fight the stigma, unite our voices in advocacy, educate, empower, engage. We come together for Jewish Disability Advocacy Month.

Hear from thought leaders and experts about the current state of disability rights, and what can be done to promote the best inclusion and supportive care practices.

Join Women Repair the World on February 24 for From Inclusion to Belonging: Removing Disability Barriers, a conversation with people on the forefront of fighting the stigma of people with disabilities. You’ll hear from Tasya Kelen, Tamara Phillips, AJ McGhee Lewis, and Laura Cooper. The program is facilitated by Shelly Christensen. Stay tuned for more information!
